To Whom it May Concern:

Using several styles of ministries, as an instrument of the Lord, Dramatic Worship Ministries (DBA Capernaum First Century Village Event Center & Live Productions) reaches tons, changes thousands, & saves hundreds... so far! All components of Dramatic Worship Ministries unite with the goal of saving souls, lives, and exemplifying Jesus!

The mission of Capernaum is to provide life changing entertainment and interactive experiences in the pursuit of making disciples and advancing the Kingdom of God. In addition to the live productions, we offer tours of the property and our 30,000 sqft statue garden; retreats; film shoots; and special events. We welcome guests from all over the country looking for local businesses to add to their trip.

We have a unique opportunity for local businesses to partner with us to support our mission; bring visitors to the area; and bring support to our communities.

Dramatic Worship Ministries brings three exciting productions to the Weatherford area. This fall, our production – the Apocalypse Experience – is back for a second year! The Apocalypse Experience combines professional actors with realistic special effects in a brick and mortar town for guests to experience a 45-minute live theatrical, out-door, walk-through tour of what could happen during the end times.

Last year, we hosted over 1500 guests over just two October weekends. This year, we are opening the production up for another weekend and expect well over 2000 guests. The dates for this event will be October 13-14, 20-21, and 27-28.

We would like to ask for your help to bring our mission to life and make this production happen.

Thank you for your consideration. This ministry wouldn't have the capacity to change lives without you! Any donation, whether in kind or monetary, will be tax exempt.
